

## The Up-to-Date APP: Save the DATE

A symposium for advanced practice providers!

Friday–Saturday, March 6–7, 2020

Clemson University Nursing, 605 Grove Rd., Greenville, SC

**Save the date** for our second annual Up-to-Date Advanced Practice Provider conference! It is an interprofessional, multidisciplinary discussion of up-to-date literature and practice patterns that directly affects patient care. Take part in discussions and lectures from our own doctors and APPs.

This year, pick from a separate track for primary care and acute care providers on Friday, with concurrent sessions in the afternoon that include an opioid and separate pharmacology hour. On Saturday, attendees can choose between skills sessions such as suturing, critical care procedure bundle, ultrasound, IUD insertion/ GYN biopsies and an additional opioid hour.

### COST

- **Friday:** Concurrent sessions \$120 for providers, \$80 for all others, early bird pricing until 2/6/2020. After this date: \$140/\$100.
- **Saturday:** Costs will be a la carte skills labs, with more information to come.
