Please Complete Evaluation to obtain credits commensurate with your participation  
If you are requesting full credits, please watch remaining lectures online at your leisure

1. Go to the activity landing page on the UofSC SOMG Learning Portal using the QR code or web address above, and log into your account. If you do not yet have an account, you can create one by selecting the 'Register' button in the top right hand corner of the website.
2. From the activity 'Overview' page, click on the 'Take Course' button.
3. Within the course, use the buttons at the bottom of the page to move through the 'Course Progress' guide and complete the activity evaluation and attest to your credit hours.
4. Do not stop until you reach the 'Course Complete' page.
5. Once you have completed these steps, you will be able to immediately print your certificate, or you can visit the 'My Account' section in order to print your transcript or certificate at the later date.
